## 8th Grade Summer Reading

Dear Parents,

As we enter this summer, all of us — parents, students, and teachers — are excited about the well-earned break from the rigors of school. At the same time, however, we recognize that much hard-earned knowledge tends to slip away during the summer months unless we take measures to retain mental acuity. There is no question that one of the most valuable components to your student's academic success is a sustained pattern of **reading**. Students who are strong, avid readers are generally proficient students and competent test-takers. Hampton Christian Academy remains committed to doing all we can to develop our students' reading skills and help them discover the life-long pleasure reading can bring to their lives.

Each student in grades 7 - 11 is **required to read a minimum of three books** during the summer break. One of the books has already been chosen for the student based on thematic content and grade level. This selected book will then be discussed the first week of school and a test will be given in class on the required book. This test will account for 50% of the student's summer reading test grade. An additional 25% will be earned by successfully completing a computerized Accelerated Reader quiz on a book from the grade level Accelerated Reader book list. AR quizzes consist of 10-20 questions focusing on reading comprehension. Students may drop by the school library on Fridays during the summer from 9:00 A.M. to 1:00 P.M. to complete an AR quiz, or they may take it during the first week of school. However, we strongly recommend that students not procrastinate in reading the AR book, and advise them to take the AR quiz as soon as possible after completing the reading to ensure they are able to do well and earn the maximum credit. The third book to be read must be selected from the appropriate grade level reading list. Students will need to write a formal report for the third book, accounting for 25% of their summer reading grade. The requirements for the written report will be available on the school website throughout the summer. Students and parents are required to sign the honor statement at the bottom of the report to receive credit. The summer reading test grade will be averaged with the first quarter grades for English next year.

Students and parents are encouraged to establish individual reading goals to aid students in their time management. We strongly recommend that students complete both the list-chosen book and the AR book, along with the associated documentation, prior to the beginning of August. The AR quiz printout (signed by both the student and the library quiz monitor) and the written report, with signatures, will be due the first week of school. As the test on the required class book will also be at the end of the first week back to school, reading in June and July will help to avert a reading crisis in August.

This year's grade level summer reading lists will be available online throughout the summer at the school website: [www.hamptonchristianacademy.org](http://www.hamptonchristianacademy.org). We recognize that there are many excellent books that are not on our summer reading lists; however, to receive credit towards the summer reading test grade, student-selected books **must come from the provided reading lists**. It is our hope that students will read other books in addition to those required.

The success of any program is the direct result of parental support and involvement. We encourage you to look over the book list, visit the public library, and help your student get started on summer reading by June. We realize this program requires extra effort from both you and your student. It is just such effort that will reap academic benefits in the life of your student. We look forward to the continued partnering with you in this effort to help your student reach his/her God-given potential.

Sincerely,

## HCA REQUIRED SUMMER READING: 8th Grade

Students who read gain information, increase vocabulary, and improve comprehension. Therefore, to promote student reading and evaluate reading proficiency, HCA Upper School is continuing its REQUIRED summer reading program.

Summer reports (written report & AR quiz) are due to English teachers during the first week of school. IN ADDITION, STUDENTS MUST READ THE REQUIRED CLASS BOOK FOR THEIR GRADE LEVEL AND BE PREPARED TO TAKE A WRITTEN TEST THE FIRST WEEK OF SCHOOL.

The following credit will be given for books read during the summer:

Required Class Book Test ( <i>Johnny Tremain</i> by Esther Forbes) =	50 points possible
Book 2 Accelerated Reader Quiz =	25 points possible
Book 3 Written Report =	<u>25 points possible</u>
<b>Summer reading test grade (total) =</b>	<b>100 points possible</b>

The above summer reading grade assumes satisfactory completion of work. Students must score at least 50% on Accelerated Reader quizzes to receive any credit for the AR book. The AR quiz is to be taken in the upper school library on any Friday during the summer, between 9:00 A.M. to 1:00 P.M. (Exceptions to the Friday schedule will be posted online or communicated via Parent Alerts or e-mails.) The AR quiz printout includes an honor pledge that must be signed by the student to receive credit. The written report must be neat, thoughtful, and correct to receive full credit, written in a style appropriate to a formal paper. The 50-point class book test will be given within the first few days of school, so students should be sure they have read and reviewed their required book by the first week of school in August.

Break into summer reading with a positive attitude. Don't procrastinate! Visit your church or public library, download to your device, trade books with friends. Make time to read — on the beach, in the car, anywhere.

Use the following form as the **required format** for a one-to-two page record of the book read for the written report. You may (1) print and attach a copy of this form to your formal report, or (2) incorporate the form information in your report. Either way, be sure to answer each question and be sure to include the statement: "I have read this book during the summer of \_\_\_\_\_ (year) and have not read the book for a class or previous book report." Remember to sign your name and have your parent sign. Be truthful: do not sign until you have read the book!

## Study Guide for *Johnny Tremain*

How to Read a Book for COMPREHENSION and ENJOYMENT!!

(A USEFUL GUIDE FOR THE REST OF YOUR HIGH SCHOOL AND COLLEGE DAYS!!)

As you read the book, make notes which help you remember key characters and things about them – their appearance, their actions, their character, what they want, what they do to achieve their goals. Some questions are included to help you focus on certain events in the book.

Review this sheet, and then read the book. At the end chapter, ask yourself, “What has happened? What characters have been introduced? What more has been told about characters previously introduced? What plot developments have occurred? Answer the plot question by asking yourself, “What has happened, and what do I think will happen now that I have read this new information?” Make notes of the answers to the questions as you discover the answers. Some people think they can just jump around looking for the answers to the questions so they can study the questions to pass a test. When the only way to truly understand a book (and to do well on a test) is to read it and reflect on it (as this study guide helps you to do).

The MOST important step to take to properly read any book is to set **YOUR ATTITUDE** at the beginning. Determine that you are going to **ENJOY reading the book** and experiencing the story that is told. Only you can do that!
