

**TOILET TRAINING POLICY
FOR ACCEPTANCE OF 3K AND 4K STUDENTS**

Hampton Christian Academy is not an infant care facility. Therefore, our preschool license qualifies us for ONLY accepting students who are already COMPLETELY toilet trained. As a direct consequence, our state and local health inspections require that our students are NOT in diapers, pull-ups, or training pants. This also means that the child must be self-sufficient during their visits to the restroom facilities. In the event HCA determines that my child is having regular and/or frequent urinary or bowel accidents, I agree to willingly withdraw my child upon request.
